

REMARKS

Claims 15-28 are pending in this application. By this Amendment, the title and claims 15-28 are amended. No new matter is added. Reconsideration of this application is respectfully requested.

Applicants appreciate the Examiner's allowance of claims 15-28 in the July 27, 2006 Notice of Allowance.

The title and the allowed claims are amended to recite an "electro-luminescent" apparatus in place of a "display" apparatus.

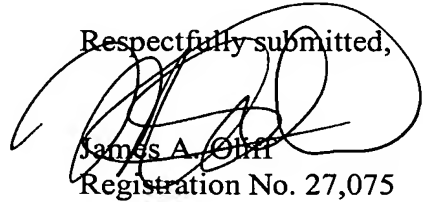

Support for the amendment is found throughout the original specification and drawings. For example, specific support may be found in the original specification at least at paragraphs [0010]-[0025] and Figs, 7, 8, 9, 10 and 13.

Applicants assert that the claims are allowable over the applied prior art at least for the same reasons acknowledged in the July 27, 2006 Notice of Allowance.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable consideration and prompt allowance of the pending claims are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "James A. Oliff", is written over the typed name and registration number.
